

Guess who likes Pueblo's new smoke-free ordinance?

✓ bowling customers

✓ restaurant owners

✓ bingo players

✓ Pueblo citizens

“The smoke-free atmosphere has been a positive experience for our business.”
–Kathy Pagano, Pass Key and Pagano’s Restaurants

“Being smoke-free has never affected my business whatsoever. It is one of the reasons I have a lot of children in my pizza parlors.”
–Richard Foresta, Angelo’s Pizza and Le Mela De Angelo

“I do support the 100% smoke-free ordinance. We feel it benefits the community.”
–Ed Cassidy, Country Kitchen

“‘We didn’t have a restaurant that said they were having significant problems,’ said Dr. Chris Nevin-Woods, the health department’s director. ‘Some reported an increase in business.’”

“Customers at bowling alleys and the owners of several bingo halls also reported no problems from the ban. The customers of one bingo hall reportedly cheered the news that smoking wouldn’t be allowed.

“Bowling customers called the health department to say it was great to bowl without the smoke.”
