

Tobacco Prevention and Reduction Program

Michigan Department of Health and Human Services

MDHHS is seeking community input regarding the impact of tobacco use and secondhand smoke exposure on communities, population groups, and individuals throughout the state. Input will be used to help inform our work.

LISTENING GROUPS HAVE BEEN SCHEDULED IN 3 DIFFERENT REGIONS AROUND THE STATE.

WE ARE EXCITED TO HEAR FROM ALL COMMUNITY AGENCIES, ORGANIZATIONS AND COMMUNITY MEMBERS!

All Ages Event

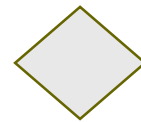

Please distribute and post the attached flyer broadly. All are welcome to attend.
