- ❖ Laurie DeDecker with focus on energy healing to bring balance to the mind, body and spirit.

#### Community Learning Sessions:

- ❖ Tobacco Teaching, Shawl Making, Opioid Dependence Discussion w/ more TBA.

### April 28<sup>th</sup>-Day 2 Activities:

#### Quality Improvement Community of Learning Meeting

**(8:30am-12:15pm)**

- ❖ The Quality Improvement (QI) Community of Learning in-person meeting is an opportunity to connect with and hear from other QI teams across multiple grants and, with support from ITC of MI and MPHI, work together to build a culture of quality across the different Tribes. The focus of this meeting will be:
  - Learning new tools/skills that can be used in future QI projects/PDSA cycles
  - Sharing of storyboards on recently completed QI projects
  - Grant updates and discussion

*For this meeting, representatives from the State Colon Cancer, OMH Colon Cancer, REACH, and UP Breast Health projects are strongly encouraged to attend.*

#### Tribal Public Health Accreditation and Quality Improvement Collaborative

**(12:30pm-4:00pm)**

- ❖ Many Michigan Tribal health agency leaders and staff are interested in public health accreditation, performance management, and quality improvement. In response, the Michigan Department of Health and Human Services (MDHHS) Office of Performance Improvement and Management (OPIM) has dedicated funds to support gatherings of the *Tribal Public Health Accreditation and Quality Improvement Collaborative*. The goals of the collaborative are:
  - Create opportunities for peer-to-peer learning
  - Help MDHHS understand how to best support tribal public health
  - Strengthen relationships and foster dialogue throughout the state.

*This Collaborative brings together tribal health agency leaders, managers, and staff who are working on public health accreditation or performance improvement activities, with the MDHHS-OPIM, MPHI, and ITC of MI to discuss priorities identified by Tribes.*
